

Christmas Show - LTS weekly update 2

November 23, 2018

Hi all,

Thank you for taking the time with the parent meeting on Sunday. I hope it helped understand the Show and your skaters' part in it. Please don't hesitate to get in touch if further questions come up.

Sunday, November 25

3:45-5:15pm **RUN THROUGH** Show Committee Rink 5:15-
5:45pm LTS Shannon Rink

We'll see you at the rink for **this Sunday's rehearsal, which starts at 3:45 with the full run-through!** I realize this will be a long time for your skaters to be at the rink to just go through their number once (in the run-through - they still have their regular rehearsal after that). But we will be moving through the Show, and there won't be much of a break for the intermission, so please be attentive of when they need to be on the ice.

We will run through **all** the skating numbers, in order, with the narration (order will be posted rink-side). There will be **NO** costumes or mikes, as we will not have a full sound system. **The intent is to see where each number is at**, to help the coaches, the skaters, and us on the committee decide how to prioritize ice time and encouragement to make sure everything is ready for showtime. We don't expect numbers to be perfect - we just want to see which are in good shape and which need more work. And from the skaters' perspective, it's a great chance to understand the flow of the numbers, and make sure they know when they have to be where. So **come prepared to do your very best**, pay attention to when you need to be on the ice, and enjoy watching the other numbers in between!

Thank you all, and I'll see you on Sunday.
