

September 29, 2018

Hi all,

We've been working hard to get the Christmas Show designed and organized, in preparation for rehearsals starting on Sunday October 14. Three important things for you to be aware of:

1. **Parent Meeting:** We are having a meeting for ALL parents (new and those who've been with the show for years) **on Sunday October 14 at 3:30, at the rink** (while your skater is on the ice). Please come, as there are a couple of important changes we're making this year, that we want to share with you all.

2. **Volunteer duties:** One of the changes we are making is to ask for more help from all our volunteers. This may require a bit more of your time, but will also give you a better sense of what's needed and an ability to help us improve different aspects of the show. The way this will work is that there are multiple committees, each with a lead person. **We have assigned you to one or more committees** based on your preferences (what you checked on the contract). I will be emailing each committee separately, to connect you to each other and to the lead person. **That lead will then ask for your help if and when they need it. Please respond when they do!**

3. **Props request: We need Christmas trees!** Our setting this year includes a little forest of (synthetic) Christmas trees with lights in the far corner. If you have a fake Christmas tree we can BORROW from December 7 through December 9, **please send us a picture** of it (from when you set it up, or a picture of the box, if you don't have that). We'll let you know if your tree works.

Thank you all! We are excited to get started on the ice, and hope all your skaters are ready to go! Don't hesitate to contact me if you have any questions.
