

## WFSC Christmas Show - Let's get ready!

October 8, 2017

Dear skaters and parents,

We're excited to get started in TWO WEEKS with rehearsals for this year's Christmas Show, "A Year of Cheer." The show will be a fun journey through the year's holidays, ending with a big Christmas finale. Below is important information to get everyone ready to go for our **first rehearsal, on Sunday October 22**. Please read it all, including the attached documents, and don't hesitate to contact any of us on the Show Committee if you have any questions.

**Group numbers:** As in previous years, this year's group numbers include Opening, Finale, a dance number, and three group numbers based on skating level. Some skaters are also offered a solo, a duet, or a trio. Groupings are in WFSC Christmas Show 2017 Group Numbers.docx (attached). Remember that if you are doing a solo, duet or trio, you need to work with your own coach during your private lessons.

**Rehearsal schedule:** Schedule for group number rehearsals are detailed in WFSC Christmas Show 2017 Rehearsal Schedule.docx. Remember that it is really important to come to all rehearsals if at all possible, as it is hard for the rest of the group if skaters are missing, and we only have quite limited ice time to rehearse. Depending on progress and available ice time, some rehearsals may be added.

**Music order:** You'll find the line up of numbers and music in WFSC Christmas Show 2017 Music Order.docx. It's been quite the challenge to get this lined up, as we have more skaters than in previous years, and the schedule of holidays left us less flexibility in who does what number. Quite the puzzle to work out, but we are excited about how it will go!

**Parent meeting:** Due to changes in schedules, we have shifted **the parent meeting to Sunday October 29 at 3:15 pm at the Rink**. Please plan on joining us, as we will go over what's new this year, and where we really need EVERYONE'S help!

Let's get ready! This is gearing up to be another wonderful show. Thank you for ensuring your skaters are ready to get on the ice at the scheduled time each rehearsal. And please, contact us if you have any questions!
