

WFSC Christmas Show - First rehearsal this Sunday!

October 19, 2017

Hi all,

We are excited to **start rehearsals for this year's Christmas Show this Sunday 10/22**, and we hope that you are too. Here are some important dates, details and reminders. Please read through the whole email, and let myself or any of the other Show Committee members know if you have any questions. Looking forward to seeing everyone on the ice on Sunday!

First rehearsal: Sunday, Oct 22nd

3:15-4:00pm Opening Rink Louise

4:00-4:45pm Finale & Bows Rink Paul

4:45-5:15pm Red Group Rink Alanna

5:15-5:45pm Blue Group Rink Stephanie

Please make sure you arrive with enough time to be ready and on the ice at 3:15 pm.

Please note that we will have a **meeting for ALL parents next Sunday 10/29 at 3:15 pm.**

Costumes: Every Sunday, as needed, there will be costume fittings. Please be prepared to come a bit early or stay a bit late to try on your costumes. This Sunday 10/22 we need the following skaters to try on costumes:

Angela	Kindra
Santiago	Grace
Austin	Shannon
Charli	Camille
Abby	Ivy
Brooke	Elizabeth
Emma	Ellie
Ella	Leonora
Meghan	Courtney

Girls, please find Julie in the girls locker room between 4:45 and 5:45 pm. Boys, please check in with Julie, Sonia, or France during that time, and we'll get the appropriate costumes for you from the girls' locker room.

Costumes Part 2: As in previous years, there are a few pieces of costumes that we need you to provide for your skater.

Girls: black bootie shorts. Skin-colored footed tights (NOT over the boot).

Boys: black pants.

As costume details are finalized (we are close!), we may ask you for additional, normal-wear clothing or accessory items.

Volunteer signups: As we did last year, we will set up the SignUp schedule for you to select the times you can help out during the dress rehearsal and shows (December 8, 9 and 10). **Please expect the signup link to go out in next week's email.**

Thank you all! Looking forward to seeing all the skaters ready to go promptly at 3:15 pm on Sunday.
