

## WFSC Show - More rehearsing, Club photo, and volunteers

November 16, 2017

Hi all,

I can hardly believe it's almost Thanksgiving! A really busy Sunday this week, but the group numbers are coming together, thanks to the skaters' hard work on the ice, and everyone's effort to participate in the new Thursday rehearsals and the off-ice rehearsals that coaches have added. **Please note that there are off-ice rehearsals this Sunday too.**

**A special request for skaters:** please help those who miss rehearsals for unavoidable reasons catch up on the choreography! If you are asked to help a skater, or if you know a skater in your group missed, take advantage of any time you have to go over the choreography with them. It will help you, the other skater, and the group as a whole really shine during the show. Thank you to those who helped MayMay last Sunday.

#### Costume requirements:

The following BLUE GROUP girls need to provide camisoles or leotards for under their Valentine dresses: Sophie B, Raquel, Emily, Kaili, Maren. Color options are: Light pink, light purple, nude - please **no** white

The BLUE GROUP Boys - Hunter and Timmy - need to provide white collared, button down shirts

Note: details on hairstyles will be decided and communicated within 1-2 weeks

#### Volunteers:

SignUp is slowly filling up, but still a lot of spots in need of volunteers. Please sign up here <http://signup.com/go/ZJw8bR>, so you can choose the role and shows that work best for you!

**Locker room monitors:** To all parents that sign up as locker room monitors, US Figure Skating requires that we get SafeSport training. Please view the following video, if at all possible, before the end of November, so you can be SafeSport certified in good time for the Show. The training is here: <http://training.teamusa.org/brands/details?brandId=6>. Select the first safesport heading, then add to bag, then select checkout, then select activate and then launch course. You should be able to complete the training. Thank you!

**Bedazzling and crafting party:** Hoping for a great turnout next Sunday Nov 26 for the crafting party - we have many costumes to bedazzle - if you don't know how to attach crystals we will pair you with someone who can teach you. It's a great skill to learn for any Figure Skating parent! ;) Also we will provide all supplies.

**Promotional videos:** Skaters who are interested in doing short videos to help us promote the Show should let me know. Jennifer (Brooke's mom) is willing to do these short clips, which we can then all send out via social media. Let me know if you are up for it!

**Tickets:** Not having any luck selling your tickets? Would you be willing to organize selling sprees, at Pybus, or at senior centers? Let me know, and we'll discuss details.

We are getting close! Thank you all for the hard work so far, and keep it up!

Sonia

#### **Clarifications – November 17, 2017**

All,

Thanks to the parents who read through the whole email and ask for clarifications. Here are two that many of you might be asking about too:

Yes, Red Group still has on-ice rehearsal at 3:45 pm. The format in my earlier email got messed up, so it appears way out to the right, on the same line as the Blue Group's rehearsal. But Red Group is still on at 3:45 pm!

Club photo: Boys please come in black pants, as most of your costumes require those (you'd think I'd remember to add that to the email!).

Thank you all, and see you on Sunday.

Sonia
